Hello Andrew & Barbara,

Sorry, but I overlooked this email. Although I asked for table and figure formatting, it was not performed, but I can send it back.

Thanks,

Taukecha,

Attached is the merged Formaldehyde Appendices document.

TSS was able to complete the following tasks:

- Format Front Matter, page numbering (headers and footers), and paragraph headings
- Format text ensuring consistency
- Address pagination issues
- Highlight table, figure, and Appendix callouts

Editing was able to compete a light edit. TSS and Editing have left comments and tracked changes for author review.

TSS can certainly address table and figure formatting, reference and in-text citation issues, and other concerns on this project upon your request.

Please let us know if we may be of further assistance.

Thank you.

Regards,

Ashley
